STATEMENT

A & R Radio Rentals has on the premises a logbook or manual to keep updated customer information regarding CPI information – because we have to comply with the FCC regulations.

A & R Radio Rentals is not a telecommunications “carrier” and we do not offer telephone interconnect with our 2-way radio licensed system.

A & R Radio has a database for all customer information and does not advertise using customer information – our business is too competitive and confidential.

A & R Radio Rentals would immediately contact law enforcement and customer of any unlawful uses of our equipment over the airwaves.

A & R Radio Rentals was never sited or approached during the year 2011 or any previous year about unlawful use of our system in any way.

A & R Radio Rentals has no knowledge of any one attempting to access our company files, in any way, pertaining to frequencies, customer information, and other form of breach to our related company information.

A & R Radio Rentals does require that clients/customer have and produce an FCC License for A & R Radio Rentals to program additional 2-Way radios on their system.

One more statement I, Alice Lombardi, President of A & R Radio Rentals, Inc. will make to the FCC Commission is that all Client Information is not issued or mentioned to the public pertaining to commercials, texting, pictures and confidential information in any way and we sign confidentially forms to that effect.
